—the finest Hall-Mack  
Accessories...chromium  
plated on solid brass

Aristocrome is the finest bathroom accessory you can buy. Each unit is expertly designed and crafted for today's and tomorrow's modern homes, with graceful styling that is simple, clean and ageless.

All plated parts are made entirely of solid brass, because brass has no equal as a base for fine chromium plate. There is nothing finer, yet every Aristocrome accessory is available at a price within the reach of most home budgets. In addition to the large round wall flanges shown on the surface fixtures, there is also a choice of small round, diamond, or square designs.

*Coronado*

Accessories, beautiful  
and practical, too,  
with classic simple styling

The gleaming, rich beauty of Hall-Mack's Coronado line will blend graciously with your favorite architectural and decorative plans. And best of all, you'll find this smart, costly appearance well within small home budgets. You'll like Coronado's massive sturdiness... the sparkling hand polished, chromium plated finish. Copper plated first, then nickel plated and finally chromium plated, Coronado accessories retain their original charm and luster even after years of daily use. Surface fixtures are of heavy, cast Zamak metal... recessed fixture shells are solid brass.

The stylish simplicity of the Coronado design goes hand in hand with the simplest or the most elaborate of bathrooms.

No. M5-3020—THE MIRRO-SLIDE MEDICINE CABINET brings modern beauty to your bathroom and gives you twice as much space as a conventional cabinet. Plate glass mirror doors slide smoothly and easily. Good looking from any angle—you always have a mirror to use—even when one door is open. Moderately priced. Wall opening: 28" x 18¾" x 4".

No. FLP-1826W—THREE-WAY LIGHTED MIRRORS have no equal for shaving, make-up and all around usefulness. You can swing the mirrors to any angle you choose... then fold them back flush with the wall when you're finished. Width overall is 63". Behind the center mirror is a roomy Hall-Mack seamless porcelain medicine cabinet with three adjustable glass shelves. Wall opening: 24" x 24" x 4".

## *Vanity Shelf*

NEW IN CONCEPT  
AND DESIGN

Hall-Mack's new concealed Vanity Shelf — blends easily with any bathroom decor — with any style or color. Dramatic in concept and clean in design, this handy unit provides ample space to keep bathroom necessities out of sight, yet within easy reach. Holds electric or blade razor, soap, tumbler, toothbrushes, medicines or toiletries — and has an electric outlet for shaver or other use. It's decorative as well as convenient, with sliding mirror panels in a chrome frame.

Easy to install, the recessed Concealed Vanity Shelf can be placed in any of several locations for your greater convenience. It's ideally located at the lavatory — between the top of the basin and the bottom of the mirror.

### SPECIFICATIONS

The Concealed Vanity Shelf is made in two models:

**No. 341.** The recessed box is steel, with hammertone metallic finish. The finish is protected by a full length glass plate. In the upper left hand corner is a convenience outlet for electric razor or other use. At the right hand side is a toothbrush holder. The frame around the sliding mirror panels is chromium plated brass with closed joints.

**No. 342.** The same as No. 341 except that it has no convenience outlet nor glass plate, and the frame is polished stainless steel instead of chrome plated brass.

Wall opening, both models: 28 3/4" x 7 3/4" x 4"  
Overall of frame, both models: 30" x 9"
